The Premises:

flat above shop on main road. Entrance at the rear and overlooked by lots of other apartments but did not feel like any curtain twitchers present.

Outside looked grotty but once inside was very well kept, clean and tidy with a choice of 2 rooms. Certainly no complaints

The Lady:

about 5'6" size 8, long black hair with tiny tits and responsive nipples. Beautiful skin with a tat on the rear of her back - quite horny to know you are shagging another blokes bird! She has an east midlands accent but was exceedingly pleasant

The Story:

phoned on the off chance and the maid was very chatty and more than convincing (she was one horny babe who would like to go a few rounds with) as she laughed longingly at my sense of humour.

Tara used all the right talk, gave a light massage, respectable blow job (covered) that used both mouth and fingers and some fabulous doggie.

She was wonderfully tight, and screamed at me to give it hard - no hair tugging due to extensions. For a quick 30 minutes it was more than respectable - nothing beats shagging a beautiful lady like that.

Wish I had asked the maid for a session - maybe next time
