The Premises:

Usual place in Harlington. It's been reported before, clean and tidy don't need to say much more. Parking easy at the weekend, may be harder during the week.

The Lady:

Their website is a little vague in her age, measurements, height etc but would guess mid twenties, a 10/12 DD boobs and about 5'7" but looked taller in her stripper shoes.

English and blonde, big boobs, curves in all the right places and lightly blurred pictures on website too.

The Story:

This is one of those parlours with a menu and price list. Opted for the greedy boy special even though Carmen explained she didn't do A.

After the obligatory cold wet wipe, she went to work on me with plenty of vigour, lots of slurping, lube and guttural noises.

On with the condom and sex followed. I think she is one of the loudest girls I have met in the bedroom. Tried to follow her instructions of harder, harder but it was too much for me and I exploded.

We wound down with a massage and she because I didn't have the full greedy boy treatment I was given a partial refund which was asked for or expected.

Lovely girl, well worth visiting.
