The Premises:

A clean and comfortable first floor apartment in the centre of town with entry via intercom from the street but, nevertheless, discrete. Safe, secure and free parking very close by but limited to 3 hours.

The Lady:

Belinda is an attractive mature (50ish) lady with longish black hair and a very nice shapely body of a much younger lady. She is well spoken, intelligent, interesting, full of personality and clearly focused on providing a relaxing but exciting experience. I just knew from talking to her on the telephone that we were going to have a good time - and I was right!

The Story:

The door opened before I even got to it; she was wearing a short skirt, blouse and jacket concealing, as I found out later, sexy black lingerie including stockings and suspenders - the mature lady knows such things are important. I was greeted with a sensual kiss as if to set the scene. I was offered drinks and the use of the bathroom before a short chat and some carressing on a sofa (I like sofas) and then to the bedroom.

Everything we did seemed entirely natural; it was unrushed and interspersed with interesting conversation. I thoroughly enjoyed myself and left relaxed and with a smile on my face!

Oh - and she kisses wonderfully and has a very special oral technique which was enjoyed to completion (OWO/CIM). She very clearly enjoys reverse oral and it was a pleasure to lick, kiss and suck such a sweet, neatly trimmed pussy; and the sex was good too (covered of course). All of this was slow and gentle. However, I do not doubt that she can be more raunchy should the need arise.

All in all, a wonderfull time with a very sexy lady - very highly recommended.
