The Premises:

Clean house in an expensive part of the suburbs. Very nice rooms. The room she used was on the top floor and in good condition. It was easy to find and parking was no problem, although you do have to pay.

The Lady:

Genevieve must be wearing a wig in her photos, but had jet black hair when I met. She's Eastern European, but speaks very fluent english. She is medium height and well proportioned. Facially, she is very pretty and has a good body. Her breasts are a little stretched, but that wasn't a big deal to me. Life will do that to you.

The Story:

This was an outstanding experience from start to finish. I have been quite picky with the girls I have seen, but Genevieve was excellent. She was friendly and professional at all times, and was very skilled in everything she did. Her oral was excellent, and we went on to a few different positions and some anal too. I came on her lips, which she smeared all over her face. She asked if I wanted to go again, which we did. Second time round, she just did oral and I came in her mouth with her swallowing.

I cannot fault anything about this girl.
