The Premises:

Well reported - smart apartment in / near Woking town centre. Good Directions and liaison from the freindly receptionist.

The whole set up is well thought through and aimed for client satisfaction/ enjoyment/ relaxation.

Main room with en-suite facilities is top notch - towel on the bed for you on arrival and mouthwash in the loofirst rate.

The Lady:

How on earth do you descibe perfection ?

Stunning!! Springs to mind. The website pictures are accurate - but in the flesh....delicious..... and very pretty.

Fabulous figure, Jessie is slender and shapely, peachy delightful bum, topped off by one of the finest set of natural boobs I have been priviledged to sample and 'enjoy' for a long while (32E .. they don't come better than this.. trust me!) . Jessie is also a dancer so she is fit an honed, and it shows ... just about the perfect package

Sex on Legs !

The Story:

Wow !!

Again I start this by saying Stunning!! because that is what Jessie is.

Greeted me with a smile and 'dressed' in a delightful black basque and matching thong, stockings and 'fuck me' heels....Jessie puts you at ease immediately.

She is very relaxed and confident at what she does. so it helps you relax into the session.

Shower / business attended to and we started off with a massage (above average) and some pleasant small talk.

On turning over and slipping off the basque.... Phew!! as a breast manI was in 7th heaven immedately. Beautiful breasts- yummy nipples - I just might be in love !!. and it just kept on getting better and better.

Jessie gives world class head and enjoys reverse (perhaps as much as I did !! delicious)

Everything else performed superbly and much fun was had by one and all. Jessie is very very good at what she does and she enjoys her work ..it shows. This is no 'lie back and think of England session'

Jessie is fully involved every minute, She likes to talk (dirty) and encourage (as if any redblooded man needs encouragement to shag a beautiful nymph !!)

Is this the perfect escort??? ...could Jessie be a ten ???.....Well perhapsas a PSE

As a GFE I'd have to deduct a point or two for no real DFKJessie allows kissing and beautiful it is....

Lovely full lush lipsbut little butterfly touches.....sensual and eroticbut to be a 10 GFE .for me .its got to include some deeper lip action .

But hey !! we are talking about great sex here with a beautiful young ladyI should be so lucky!!and I was !! :-)

RecommendedA must see !! Even with butterfly kisses!!

Jessie - thank you - it was a lovely birthday present

and

.....Don't mess with perfection....please!
