The Premises:

A city centre flat in Liverpool. Having little knowledge of liverpool this was very easy to find with saritas directions. Arrived by train and around 10 minutes walk.

The Lady:

Intelligent and attractive mature lady with exteremly great playful assets:)

The Story:

I had contacted sarita on the sunday afternoon to see if it was possible to meet that evening. I know it was short notice but thought I can only try! Sarita said this would not be a problem as due to the bad weather she had not managed to do any gardening - fantastic for me so i arranged a 1 hour meeting. Arrived at the flat where sarita greeted me at the door with a low cut top with no bra as requested. Went into bedroom where we had a chat before sarita lay on the bed next to me to allow me to give her lovely breasts a closer inspection. Had great fun applying lotion on her great breasts while also havin her nipples pushed into my mouth. I then gave sarita some foreplay while being as hard as rock!

Sarita then removed my boxers and provided me with fantastic oral which lead to losing my cock in those breasts. sarita then gave me a handjob to finish me off which was great. Did not have full intercourse due to me being spent however i wasnt disappointed by this as i will be arranging another meeting which was suppost to be last week but due to work commitments will now be in April. A fantastic lady.
