The Premises:

Reasonably smart flat just off Sloane Street. Meter parking nearby.

The Lady:

As per web site photographs (except for the top left clothed photo which was taken at least 3 years ago). Quite pretty dark haired girl in her early 20s, medium height and medium breasts.

The Story:

I actually saw Juliet with BestEscort4U where she is advertised as Dafnies. She used to work in London about three years ago but has been off the scene for a while before returning recently. I always meant to visit her then but never got round to it, so was pleased when I saw she was back again. Pretty girl. Friendly with passable English. Oral covered and no french kissing but had a pleasant time nevertheless.
