The Lady:

Web site photos are accurate. Pretty dark haired girl in her very early 20s. Slim but with quite large soft breasts (a tad too soft for my taste, but overall still an attractive girl).

The Story:

Karina started working fairly recently and is advertised widely as Karina, Carmen or Katrina depending on which agency you visit (confusingly there is another new girl called Carmen who is similar looking and is also advertised with a number of agencies - I'll be visiting that Carmen soon). However, only Loyalty offer her with the half an hour service. A nice friendly and quite enthusiastic Romanian girl with decent English. Oral is covered and no French kissing. I hadn't had sex for a few days so I came straight away, but afterwards she gave me a nice relaxing back massage. Very pleasant.
