The Lady:

A bit older than says on her website, but with the most amazing, fresh body I've seen in a long time. Gorgeous, enhanced breast and a juicy bum.

The Story:

Smiling and welcoming from the start she started with OWO (had to shower first), couldn't take to deep but made sexy gagging noises when I took control.

A bit of missionary, cowgirl (said she likes riding) and doggy. She took the latter for more than half an hour moaning quietly as I pounded her. Lots of spanking which she seemed to enjoy.

Finished on her lovely tits and was rewarded with a superb massage.

In general, I had a good time with hard, memorable shagging from behind being a highlight.
