The Premises:

Quite a cosy flat in a street off of Baker St. Safe enough.

The Lady:

Latino looking smiling pocket rocket - dressed as a schoolgirl as requested. In fact shes a Cypriot. Short blonde hair, lovely figure, I guess in her late 20's. Found her at short notice on unmentionable site.

The Story:

Started off well - stripped me off and did a (sort) of lap dance and Teacher - naughty schoolgirl. She even presented me with a small paddle to tap her bottie! Thats was a first - Lovely. Got really worked up and was expecting her to slide down for some serious OWO...but no....party hat went on. I did protest because her profile said OWO and CIM. Continued anyway with some lovely 69 and several positions, finished off in doggie. Rested up for a chat, decided a single pop was enough as it would have been a problem trying to raise one in a hat after that. Lovely to talk to, not PSE nor GFE...a sort of " Mid-table" punt" Had a lot worse.
