Details of Service Provider:

The Premises:

Typical walkup, not the best but ok situated about 2 doors in from Charing Cross Rd on the left

The Lady:

English girl approx 5'8, size 12 with dark blond hair and large boobs. Told me it was her first day working in Soho.

The Story:

Not the really the type of girl i go for, but the naughty glint in her eye and the promise of OWO with CIM sealed the deal. Punt went deep sloppy blowjob, me licking her pussy whilst fucking her arse with a small dildo, hard doggy and mish followed by more enthusiastic cock sucking. Unfortunately I was unable to cum due to an earlier punt and 6 pints at the Griffin (i'll learn one day lol) In all a real PSE experience that didn't feel like a Soho punt at all. She said afterwards that she was looking forward to getting established in Soho, I told her if she keeps delivering that level of service punters will queueing around the block. Time will tell.
