### The Premises:

Clean flat that she shares with a roommate.

## The Lady:

Mid-twenties, dark black hair, Polish, speaks good English (but not perfect) and can carry a conversation well. Very curvy with large breasts.

## The Story:

Started with a back massage, then a front massage, covered oral (didn't inquire about OWO as I'm not a fan), then ran through a couple of positions until finishing. She's quite enthusiastic!
