The Premises:

Large Victorian town house. Decor a bit dated but I'm not Laurence Llewellyn-Bowen and its clean and tidy.

A downside for me was cigarette smoke but non smokers were definitely in the minority.

Stacks and stacks of freshly laundered towels, shower facilities, but on a negative side could do with some new beds.

Parked, for free, under 1 minute walk away and tube stations were not much further.

The Lady:

Five ladies on parade for the party plus Pam who was a perfect hostess.

Anita - Tall Brazilian brunette,

Emma Louise - English brunette,

Gaia - Tiny little pocket rocket, I would guess under 4'10"

Stephanie - Brazilian brunette, and

Paulina - another Brazilian brunette.

All of the pictures on the website of the girls above are correct. No ages are given on the site but I'm no good at guessing ages so I shall not comment any further.

The Story:

Saw an advert on the Announcement board, which really looked too good to be true. A four hour party for ?75 with five girls and limited numbers. So a Saturday evening with nothing better to do so I phoned and booked. Address texted to my phone as soon as I hung up.

When I arrived I was shown around by Pam, deposited valuables and changed. There seemed to me two types of punters there, regulars and first time visitors, about 6 of each, but we were all made to feel welcome. One regular seemed to monopolise one of the girls and it was commented upon by

several people.

I was taken away by Anita and she gave a service more like a GFE than a party girl. DFK, OWO, RO all unprompted, as well as sex in various positions. A very vocal girl who enjoys her work. Admission price was already more than covered.

More followed with Stephanie and Emma Louise, never got the opportunity with Gaia but maybe another time, and as I said earlier Paulina was monopolised by a regular which slightly spoilt the balance.

The girls were all very good and most of the time things were on a one to one basis rather than other parties I have attended where girls often take on more than one man at a time. This means that you are often waiting for a turn however when it is your turn you are treated royally.

Will I return? Too bloody right I will.
