The Premises:

A quiet house with parking just outside and a front door that is not overlooked. House very clean. They have a tradition of removing your shoes at the front door. Place has been in use for a long period. Two excellent choices.

The Lady:

Alice has a bust better than her description and long dark hair and an excellent figure. Of spanish origin but understands your needs.

The Story:

Very good overall massage and then she played and nibbled me in a very erotic manner. Very enjoyable as I love a decent bust that you can be smothered in. She let me play all over her and gave a wonderful cuddle and really looks as if she enjoyed it. Took O before finishing me with some great fantasies.
