The Premises:

Kim lives in a detached house tucked round a corner in a quiet estate. It is about 5/6 minutes from the M6. The area felt very safe without snoopers and parking was excellent. The house was clean and welcoming. The bedroom had porn showing on a TV and soft background music. The bedroom had an ensuite Bathroom.

The Lady:

Kim is mid 40s with short blonde hair and a lovely smile. She is about 5'6", tanned, with a slim (size 10?)body, small puffy nipples and a lovely bum. Kim was wearing hold-ups and heels with sexy red undies covered by a lacey see-through top.

The Story:

I had a great time.

It was our first meeting and her friendly manner immediately put me at ease. She is a great kisser and it wasn't long before we were on her bed exploring each others bodies. She is a very sexy, horny woman. Stroking, feeling, touching, even caressing - all the things that I like.

OWO was followed by covered sex in a number of positions.

There was a clock in the room, but I don't think that she was paying much attention to it.

I had such a good time that I visited her again later the same day!
