The Premises:

The usual NM location - has been said before on previous FR's

The Lady:

quite pretty face, nice figure, huge tits....hmmmm.... ermmmm where was I.... oh yeah, fully shaved, nice arse, kissable lips.

(this is where i will become disliked....!) I would put her age at early 30's... maybe a little more. great fun to be with... quite chatty though.

The Story:

got into the room after a few minutes in the 'waiting room' and got the paperwork out of the way. onto the bed face down for the usual massage (stopping for a kiss and a quick fondle on the way!!). at usual, nothing mind blowing but a nice warm up with the wandering fingers slipping underneath to caress the balls..

then on with the mac (using her mouth - love it when they do that!!)

into a 69 - lovely puss.... she was very responsive to my tongue too.

then into her climbing on top so i could get to those amazing tits.

i was going to switch to doggy but things were feeling so good i didn;t really want to move!!!

cleaned up had a chat got dressed and left.

although i would always recommend this place, and I would recommend Megan, I probably wouldn't see her again.
