The Premises:

Indian dominatrices are few and far between so this is a thrilling find.

I was apprehensive initially, trembling with anticipation during a bout of pre-punting nerves. I shouldn't have worried as Mistress Zayna immediately put me at ease with a winning smile and a very warm welcome. She has only been advertising recently and is a new addition to the domination scene. Her chambers are conveniently located in central London's Covent Garden district and very easy to find.

I was most impressed with the dungeon, recently fitted with an exciting assortment of kinky apparatus. During my two hour session we mainly used the whipping bench and the St. Andrew's cross, although I spied a rack and a confinement cage and what looked like suspension hoist among several other items we simply didn't have time to explore. As a frequent dungeon visitor I can testify to the beautifully finished, high quality construction of the furniture. The walls have a grey faux-stone covering and the whole ambience is lifted with the use of scented candles and low lighting. It really is magnificent.

The Lady:

Mistress Zayna herself is a visual treat. An elegant, shapely Indian lady in her late twenties with lovely almond shaped eyes, perfect teeth and beautiful shoulder length wavy dark hair. Her skin is a flawless honey-coloured light brown and a size 10 curvy figure with a generous bosom, pert bum and slim waist. She is about 5'9", or it may have been the 6" heels; oozes sex appeal, and has fantastic legs with majestic thighs and beautifully turned calves gradually tapering into slender ankles and perfect sexy feet.

The Story:

The session was initially scheduled for one hour but very soon I knew that I had to extend for a further hour in order to maximise the benefits for our first encounter. Mistress Zayna is an imaginative and highly accomplished domme with a real flair for CP. I had presented a loose role-play scenario and she displayed a real talent for addressing my complex requirements. She is an engaging lady, refreshingly honest and free from the imperious pretensions associated with many pro-dommes. She is easy to talk to, great fun and I was able to fully relax in her company and

submit to her control. She slipped comfortably in and out of role as required and we had a mutually enjoyable and satisfying encounter.

This list is not exhaustive but my TPE (total power exchange) began with nipple torture and CBT (cock?n?ball torture) before getting beaten with an array of tools: whips, canes, crop, quirt, paddle, tawse and several floggers. She quickly introduced seven shades of red into my pallid, flabby arse cheeks and several days later they?ve matured into a kaleidoscopic range of blue and yellow hues. I haven?t had a flogging this good for nearly two years. This was followed by trampling, hot wax and ashtray play then plenty of foot and leg worship. The verbal humiliation that accompanied the spanking was excellent. Eventually I had an explosive climax.

Judging by the smile she exhibited throughout, it appeared as though she was enjoying the session as much as me. It was outstanding. Set in superb premises with a beautiful, skilled mistress; it was a wild and memorable afternoon. Four days later I?m still basking in the warm afterglow. The memories will provide masturbation fodder for a long time to come.

If a stunning, creative Indian dominatrix is your thing, Mistress Zayna certainly fulfils those criteria. This session far exceeded my expectations and if I wasn?t currently restrained by impoverished public sector remuneration I would happily take up residence - chained and kennelled in her chambers, like the ecstatic, sick little puppy that I am ? Faultless and highly recommended.
