The Lady:

Photos on website do not do this girl justice I assure you! Beautiful young Thai, top body with lovely natural big tits.

The Story:

I have tried several girls from this agency but for me this girl is the best yet. As soon as I walked in I was looked after like a king..quick shower then this insatiable babe after 5 mins of french kissing was soon giving me OW and licking my balls with great zest...loved the favour being returned with 69 and sucked and licked for an eternity...5 mins of rimming and hungry tongue up my arse, cover on and she jumped on top of my cock and rode me like a "good un" to completion.

After 15 minutes of gentle massage she was then rubbing oil onto her lovely big tits and using them to massage my cock back into action...back to 69 for what seemed like another eternity...then cover on again and finished off hard fucking in missionary and unable to hold back at the sight of her beautiful face and her squeezing those big oily tits.

A gorgeous, enthusiastic girl who should be treated well as is tremendous value for 90 mins ! Back very soon for more.....
