The Story:

Thought it was all going to go well, but paid money and agreed time. Lucy then made excuses to go and get condoms from venting machine and sort out her driver. As soon as she left the room I realised her driver had already left.

I know I shouldn't have been so trusting... Never saw her again!

I called both of her numbers. Refused to answer mobile. Answered land line but claimed to be Lucy's sister! Second time I called got a bloke who claimed Lucy had been arrested. I then got a series of excuses ranging from the police to the fact I smelled.

DO NOT GO NEAR THIS GIRL OR AGENCY, ITS A SCAM!!
