The Story:

She greeted me at the door letting me in before i got to see her, When i turned i couldn't believe my eyes, Stunning just does not to justice! she offered me a glass of water and lead me to the bedroom. I was nervous to start with, she soon cured that with her amazing kissing. she is fantastic at blow jobs and had me begging for more in seconds. I asked for domination and she defiantly shined here, As i saw both a mistress side and a seductive side i would more then recommend her to anyone looking for the altermate experience.
