### The Lady:

Camille is a very sensual lady as can be confirmed by the pictures on her website which appear to be very recent. She is very athletic and has a very sexy smile.

### The Story:

Although I had punted before, I would rank the experience with Camille as my best ever. I usually go for blondes but was intrigued by previous field reports, as a result of which I opted to go for Camille. I have no regret whatsoever. After exchanging a number of emails with Camille during the previous week, I was already comfortable with her from the word go. Camille is a perfectionist and had planned our encounter in every slightest detail. In our emails, she had asked me my preference with regards to music, drink and her attire. She is very passionate and a very good kisser. She performed to perfection and seemed to enjoy every minute of our encounter. She is definitely not a clock watcher. I will surely return to Camille the first time I am visiting London.
