The Premises:

Iffy part of town - non descript house. Scruffy, worn carpets, suitcases everywhere, clearly multi tenanted - could hear others. Would like to go after dark. traffic in HW at this time is a nightmare.

The Lady:

From the unmentionable site, busty, long blonde hair, East European in the photos. On arrival door opened by short haired girl very badly bleached hair. Not a bad body. Didnt really speak English. Said she was Columbian, I think she was Romanian. Smelt of giggies.

The Story:

Disappointed, clearly a bait and switch, but no time to retreat and sort out another. No chemistry. She just stripped off and made a start. All services advertised, she noshed well on the old chap, then a bit of RO and variables, thought about the tradesmans but decided against it. Opted to shovel it all down her throat, she took it well. She went out and I just wanted to get out as there wasnt going to be any chit chat. Dressed and bolted. Good scrub in the shower when I got home. A change of location for me, maybe stay closer to the smoke next time. Low grade hooking. Probably best avoid.
