The Premises:

Her place is immaculate. It was the first working girl's flat that I could imagine living in. Very clean bathroom, good shower.

She is located very near the Monunment; great for City lunchtime or after work trysts.

The Lady:

She is very pretty in a girl next door type of way. Slim, leggy, great figure.

The Story:

She is lovely, willing and able. I am not very imaginative when it comes to punting, so there is probably a lot more on offer that I exeperienced.

Neena kisses like there is no tomorrow, and her OWO is lovely. I told her not to make me pop too soon, and she not only understood but did everything she could to make my pleasure last.

I can't say enough good things about Neena. Will I be back ... of course! She is simply wonderful.
