The Premises:

Basement flat, a couple of minutes from Lancaster Gate tube. The area is okay - a little run-down, but no worse than most of London. The flat doesn't look great from the outside, but inside is clean, warm and cosy.

The bedroom was very pleasant - not huge but nicely lit with candles and comfortable. Felt welcoming.

The Lady:

Clara is a petite Asian lady, with a pretty face and winning smile. She has long straight hair and silky skin. She has a very attractive slim, but not skinny, figure. Everything curves in the right places and her breasts are particularly gorgeous.

The Story:

Clara is a warm, welcoming lady with a beautiful body and charming personality to match. This was my second punt, and second visit to Clara. She was friendly and talkative from the moment I rang the doorbell. Clara's English is not perfect, but not bad at all. Certainly no trouble communicating or chatting. Services were performed expertly and sensitively with a twinkle in her eye and a wicked smile, and felt intimate and affectionate. All-in-all, a totally pleasurable and relaxing hour, laced with smiles and good humour. I left feeling great, and still have a grin the width of the world when I remember my time with Clara. She's a great young lady, a real sweetheart.
