### The Lady:

One word: gorgeous. About 5ft 3in, size 8 ish, beautiful face framed by short auburn hair. Nice eyes. Enhanced but not silly bust giving her double d cleavage. Great legs and arse to make your eyes water with joy

### The Story:

She'd been recommended to me by Harry the boss & if you want to see pictures of her you'll have to ask him how to get to see them, but trust me the pictures don't help, you've GOT TO see this girl in the flesh. Not only is she model quality to look at (she told me her Mum used to be one), she admits that she loves sex and is obviously well educated, but not posh with it, although she has no accent and speaks beautifully. She told me what her "day job" is and that proves she has a brain in her head as it is a job that requires a lot of education. She does this for fun and because she reckons her sex life was a bit lacking!

As for the bedroom, let's just say she wasn't kidding when she said she loves sex. The word nymphomaniac is over used, but it fits Lucy perfectly and she seems to enjoy herself so much too! If you're going to visit this girl, make sure you're fit and have some stamina, and you will be justly rewarded.

If they were to compile a top 5 at executive, this girl is definitely number one at the moment (sorry other girls, but you all know I'll back to see the rest of you very soon!). The best bit is she & her mate joined at the same time and Lucy reckons her mate is better looking then she is! I shall test this fact out VERY soon.

Executive never fail to impress & the quality of girls they are recruiting now is absolutely A1 in my opinion. Keep up the good work
