### The Premises:

First time at L M, it was clean and the reception staff were very friendly. Room was nice and cosy with its own shower.

### The Lady:

Beautiful blonde with shoulder length hair and a perfect size 10 figure.

### The Story:

From Abi I got the perfect GFE, as I dried myself from the shower Abi was sprawled naked on the bed waiting for me. Loads of kissing which i like, then some OWO from Abi. I then returned the favour and when Abi came I was struggling to breathe as her thighs were clamped so tightly around my head. After sex in the missionary Abi and I just lay chatting - no clock watching or hurried exit, quite refreshing.

As its a long way for me I had thought of this as a one off, but Abi was so good a will just have to make the journey again to see her - very soon I hope.
