The Premises:

My place.

The Lady:

Awesome body, heavy make up but still good looking. Motelled skin up close.

The Story:

Good looking lady but her attitude was quite unpleasant. Whining about a cigarette every 10 mins and wasted time over that. Constantly plastering more make up on which wasted more time.

Conversational skills were very limited. Very unintelligent and it was a struggle to get anywhere.

Only allowed to cum twice, even though she spoke of her other clients cumming 4 times. Wanted to charge me extra for another orgasm.

General attitude of not wanting to be there. Started whining about a taxi and how she would get to her next client (which isn't my concern!) and ended up leaving 15 mins early.

Dissapointing.
