very beautiful and tall which i dont often find but i like because im tall id say shes 5'8". very lovely slender body with fuller bum (hour glass - not fat). eyes that are blue and green. long brown hair. european.

The Story:

i meet girls often but only really feel moved to write a review of the ones that take my breath away. This girl did. to include deep french kissing, oral without to completion and swallow at this price is unbelievable, maybe its the credit crunch? I will definitely be visiting again soon. It was only on the off chance as I was driving through Wembley as well. a lucky find.
