The Premises:

Smart apartment in new block in smart part of city. Nice shower and lovely clean bedroom with plumpy bed. Ideal.

The Lady:

Stunningly beautiful black lady with the look of a young Whitney Houston to me. Shapely body and altogether pretty well breathtaking.

And then she proved to be utterly friendly and concerned I had the best time. Ideal.

The Story:

Easy communications left us both arriving in an almost deserted part of Easter Monday Birmingham at almost the same time.

Nicole was far more attractive than I had figured from the pictures and we were soon kissing and I was in heaven.

Things went from good to great as we moved on and Nicole proved a heck of a sexy girl. Paid extra for owo which was great and it all got more heated as we moved into 69.

The sex was superb for me with Nicole hugely involved and continued as long as I wanted with no full stop afterwards but more cuddles and kisses.

Lovely chat whenever appropriate and especially as we tidied up.

I cannot remember a better time with a girl as gorgeous as Nicole. Ideal.
