The Premises:

It was a flat in a medium tower block, but still quite discrete really. Buzzed in, get in the lift and knock on the door.

The Lady:

5'6 tall. Fit and tanned, size 8, and 34C. Polish blonde who would certainly be between an 8-9/10.

The Story:

Very late putting this up, just forgot.

We started with a drink and chat on the sofa then she asked what I like etc....

Started with OWO and she's verrrry good at that. Slow and nice build up, then we moved to the bed and carried that on. She was so good I wanted to finish in her mouth on the first pop.

Recovered a bit, little bit more chatting (her friend seemed to pop in and out the flat at this point, but was gone at the end). Sometimes you just don't click sexually with someone and through no fault of Natasha, I think this was the case.

Ended up finishing CIM again and left bouncing.....

She has lots of great reviews as Natasha23 on the "other" site and deserves them.
