The Premises:

Well known (formerly Lisa's) with nightclub effect in lounge. Perfectly acceptable inside and you're able to pretend to wait for a bus outside to choose a quiet moment to pop in from main road.

The Lady:

The girls appear, say hello with a handshake and wait for the choice but I asked for them to go back to their room rather than choose in front of them. Changed expected type of choice after seeing the five girls available who all had qualities and went for Monica, tall, slim Polish brunette with a friendly smiley face.

The Story:

Asked for a cuddle rather than a massage but got a sort of massage and a chat while Monica moved her body occasionally so it was easier to reach more of it.

Nice ow and then she was happy to move into 69.

Enjoyed the sex with such a nice girl although her involvement was fine rather than completely involved.

Finished with hj and Monica rearranged herself at one point with a foot up against the wall to give full access to her pussy.

Nice time with a nice girl.
