The Lady:

Small voluptuous Bengali female, d cup breast, pretty face with light complexion, 5"3 approx, mid 20s, fresh and a bbw belly, not huge though! Fairly good English.

The Story:

Front door has a grill behind it which was opened by a friendly male, was shown into clean lounge area. Waiters few min and the imported women were shown in one at a time, shamina first followed by Gita (equally friendly but slimmer). Opted for shamina, paid cash and went upstairs to bedroom and waited for her.

Upon entering shamina allowed me to undress her whilst stroking my bulge, played with her tits and she kissed my chest, she was really pleasant and eager.

I laid on the bed and she applied the hood and sucked me hard in a proficient manner. It was nice to see her Bengali head bobbing on my cock.

I then stood up and she kneeled on bed and continued oral, I held her head a gave her a few deep mouth pumps which she didn't object to.

Put her in doggy and squeezed my tool into her, quite tight fit, I then pumped her vigorously groping her tits and belly. I don't think she expected it so hard from behind but seemed to enjoy the thrusts! Eventually I had a handful of tit in my left and belly in my right and pumped hard until releasing the seed.

Great quick session with a clean eager to please girl, makes a change!
