Romanian, 20yo, all woman, good figure, massive boobs, friendly polite, great english.

The Story:

Well, it was probably me after a car journey from London, but Diplomat was nowhere near as friendly and relaxed as it had been on my previous visits. Web-site suggested at least 6 girls were working, but when I arrived there seemed to be "Elena" and a blond girl who was already 'booked' and another girl who was already engaged. The black man behind the bar was neither welcoming nor friendly - where was the offer of a hot drink and a chat that I'd had before? A real shame and it appears that 'GFE' has taken over as the main establishment in Sheffield now.

"Elena" was brilliant and is highly recommended. I was tired but she was fantastically encouraging. I ended up enjoying amazing covered oral and hand relief, but I wish I'd been energetic enough to enjoy her fully. Great girl who, in London, would make a fortune with her personality, sex appeal, accent and approach.

Sorry Diplomat, a shame, but I'll probably try 'GFE' next time.
