The Story:

Wow !! I don't often write reports but this one really had to be submitted... There's a history attached you see. Look at my FR's 27073 and 36436 of 5/1/03 and 17/11/03 respectively !!

I walked into Club Ambiance tonight carefully checking for police vans, undercover 'tecs' and coppers narks but luckily didn't encounter any. (new law of course from 1/4 ... lol) I was introduced to 3 girls in the lounge, two of whom I'd seen before. The third girl Danielle looked familiar - like an old girlfriend but I just couldn't place her. After a cuppa I chose Danielle and we went to the room.. Suddenly it became apparent that yes I did know her from before and indeed she was the Danielle from some SEVEN YEARS AGO !! Wow !!! what an experience meeting up with an old friend. Well it was a magical experience and whilst it will piss you all off for me to say that what we got up to was between me and her it was certainly worth the money. She's a really genuine and lovely girl and yes (to piss you off even more) treat her nicely - you will be well rewarded.

11 out of 10 !!
