The Story:

Pamela turned out to be a rather quite, almost shy young East European lady. She didn't say much, but then it was 6am, towards the end of her night shift, and I hadn't come to discuss the works of Aristotle and Plato. She's not a kisser, which was disappointing, but not all girls are. Her oral skills were good, her orgasms seemed genuine enough, and her pussy was tasty and tight. However, I'd have preferred a more vocal and engaging partner. Maybe it was the time of day; I'll have to try her at a more civilised hour to gauge her performance better.
