The Story:

Tigerr is one of the most attractive girls I've met in my years of punting. Not the "prettiest" or most beautiful I guess but definitely one of the most attractive. Nice smile and a terrific attitude to everything she does. Likes to ensure her clients have a good time and she seemed a very genuine girl to this somewhat jaded chap.

I won't go into long and tedious detail but I left a happy and satisfied man. Didn't indulge in anything too outrageous but I found the 2 hours very erotic and it flew by. She was also kind enough to contact me afterwards thanking me, I thought this was a considerate touch.

To sum up - unlike some girls I've met who have been through the porn wringer, Tigerr is also an excellent escort. Not at all aloof or distant she is fun to be with and provided a top notch service. I will definitely see her again although I fear she might develop into a jolly expensive habit. Oh well, it's only money!
