The Premises:

Beautifully clean flat in Central London - near Victoria Station. Very nice receptionist who made me feel welcome and gave me a glass of wine. Shower available.

The Lady:

Emma was everything that she appeared to be in her photos. Very pretty face, divine figure and perfect breasts. She sat and discussed my preferred scenario, made some sensible suggestions and we agreed a scenario and fee.

The Story:

Emma was superb! She appeared as a schoolgirl in front of her step-father who had been told of her sexual activities with boys. Threatened to tell her mother - she pleaded with him not to. Reluctantly gave details of all she had been doing with the boys and agreed to accept a spanking. Took a hard spanking. Once finished said that her pussy was tingly and invited me to play with it. Obviously turned on and reluctantly admitted that boys did not satisfy her so she'd had sex with a teacher. Received several strokes of the tawse. Begged her step-dad to play with her and fuck her. What she did with her tongue and her fingers was unbelievable! And the look of genuine pleasure when I fucked her was a real turn on. Then begged me to lick her pussy and her arse - both delightful holes to explore - and came beautifully and noisily. Played with my arse and let me come over her lovely breasts. An absolute treasure whom I will definitely visit again and this time fuck her arse, which she said she adores!
