The Story:

Nicole is very friendly and enthusiastic. Her touch on the massage alone is enough to drive you into a blissful delirium. She would occasionally sing to herself or say something in Thai which was very endearing and when she spoke English her voice had a lightness that brought out a smile. Very responsive and was happy to give and receive in a variety of positions. It's a cliché but I'm wary of submitting a report lest I can't get to see her next time. Would have loved to have wrapped her up in a bundle and taken her home to keep for myself.
