The Premises:

La Mason has a very descreet entrance, the receptionist was nice and friendly, damn good looking as well. Clean place also and well kitted out.

The Lady:

Tiff has a nice body, very friendly and also sounds very posh. She'd just come back off Holiday apparently so I am assuming Jet Lag could have been an issue.

The Story:

I visited La Mason in the hope Adele would be working but the little Minx decided that she wasn't going in work that evening. "Gutted". Hey ho I'd driven far enough getting there so saw Tiff instead. I walked in the room got a shower and then got on the Bed, instantly Tiff laid her head on the pillow and started to kiss me. When I say "lay her head on the pillow" I mean, she might as well have gone to sleep. Sex was boring, Oral without lasted all of 3 minutes. To be honest I was considering walking out after 15 Minutes. As I say really nice girl but I wouldn't pay to go and see her again.
