The Premises:

As previously mentioned. Easy enough to find, on the junction of Attercliffe Road and Worksop road.

The Lady:

Tall girl, 5.9 with 34D bust. Nice enough, if lacking in conversational skills. No warmth though, no spark. A true Nottinghamshire girl, if I ever met one?

The Story:

I'm a bit put out writing a bad punt for this establishment, but I was seriously disappointed with the service I got from Ashleigh, who told me that it was her third shift.

There is nothing wrong with this establishment and I have had many a good punt here.

Got into the room, sorted out the payment and settled down for massage. Whilst lying there, been subjected to a mediocre, if lacklustre rub, I was perturbed by her pungent aroma. She told me that I was her first customer and I would have expected a fresher state to a girl, but this was a bit off-putting.

Then came oral with, which was succinct to say the least. No attempt at anything but mechanical control. Whilst trying to lighten my mood and the industrious nature of the proceedings, she told me that her boyfriend would kill her if he ever found out that she was working in such a place.

Tried for sex thereafter, but the unwashed smell and sheer disinterest in the proceedings made it a futile task. Asked for OWO to attempt to gain something from this uneventful encounter. Was told 'never done it before?'. Upon urging, she attempted it, but after a dozen strokes or so, she resulted to hand-job jerking. Upon further urging to continuing with the OWO, a few seconds work and then back to hand. So, £45 for normal service and then £15 for about 10 seconds worth of nothingness. I decided to call it quits there and left a very unsatisfied customer. Very disappointing for an establishment that is ordinarily very adequate in its provisions. I would say this girl was young, naive and not suited for this illustrious profession.
