The Premises:

Ground floor apartment on a quiet side street. Discreet and plenty of parking on the streets outside.

The Lady:

I was greeted at the door by a vision...a brunette, late 30's with a gorgeous body and a fantastic pair of breasts. Next, the blonde, late 30's joined us in the the room. Curvaceous and sexy with huge breasts! Both ladies are very sexy and fun, but the brunette really blew my mind!

The Story:

I was shown into the bedroom with porn playing on a TV in the corner. We exchanged the formalities and I got undressed. Both ladies came in bearing their fantastic breasts. One started a deep blowjob whilst the other offered her breasts to suck on (how could I refuse!) Both ladies speak in very polite accents and are very vocal throughout - all adding to the experience. After fucking in a few different positions, they wanked me off all over the brunettes breasts....lovely! All in all a great time was had with two lovely ladies. I'll definately be returning for more.
