The Premises:

OK room in largish anonymous hotel near Tottenham Court Road. Room was clean and large enough. Hotel was large enough and reception area was crowded so no worries. Busy area was very safe.

The Lady:

Very attractive Indian girl. About 5'4" with a fantastic pair of tits. Mid thirties. Dressed in tight white blouse, short black skirt, high heels and rather nice underwear. Pleasant personality, friendly and good conversationalist. Definately the girl in the pictures on her website.

The Story:

We had agreed a tie and tease role play. After some pleasant snogging and cuddling, I was tied up. She carried out the role play well with lots of teasing (until my cock felt it was about to explode) with taunts and threats of torture etc (she really acted the bossy phsycho type). She than 'raped' me cowgirl style. This was followed by more teasing and taunting culminating in a vigorous handjob. I staggered out knackered but happy.
