flat was clean and was situate at the back of the shops in the high street. Parking available in Sainsburys, about 3 minutes away. Area o.k. in the daytime but could possibly be a bit dodgy at night. Felt very safe

The Lady:

As per her description on the website. Very attractive with a lovely smile and perfect teeth

The Story:

This was a first class punt with a beautiful and very lovely and intelligent lady. I am an old guy and asked her whether this was o.k. with her to which she replied "no problem". Went through her likes and dislikes which were all fine with me. French kissing, OWO ("provided you are clean") RO. Everything was supplied as requested with a smile on her face the whole of the time. Her attitude was superb and I would say that this was one of my top three punts. Really delightful time and I would heartily recommend this lady who also works at two other establishments under another name. No clockwatching whatsoever and we finished with an intelligent conversation. Everything you could wish for but this lady needs to be treated with respect. Can't wait for a return visit.
