The Premises:

Melissa was working from an hotel in the Chiswick area which was accessible, comfortable and discrete.

The Lady:

Melissa is in mid forties. She is blond aroundf 5'6" tall with a full and quite splendid figure. Firm breasted she has prominent nipples which simply called out for attention.

The Story:

There was no clock watching with this quite lovely lady. She was friendly, warm and responsive with a strongly passionate side which showed itself in her ability to kiss for England, or even Great Britain. She both gave and received pleasure with the kind of sophistication which only comes from the more mature woman. I'm saving up for my next visit which can't come too soon. See you 'ere long gorgeous!
