The Lady:

Karen is a tall buxom blonde. Very attractive / high class type. Great figure and a great smile. Fun character too and seems to understand the power she has over men.

The Story:

Had a great time with karen, oral both ways and hand relief. Over ran slightly but Karen wouldn't let me off the bed until she'd brought me to a finish.

Nice cuddle to end with and a kiss as well. Karen offers a great personal service and seems to give a little of herself too. Gets into the moment and can talk real dirty.

O, and by the way she has a very sexy maid who'd I'd love to see too. Wasn't sure which one was the girl working when I first walked in.
