The Story:

isabella speaks really good english,and has a very nice personality with a good sense of humour,she has a lovely smile and is really charming to be with.having said all that she is total filth in the bedroom! started off with a nice little massage that soon had isabella fondling my balls and stiffening cock,she turned me over and took my cock deep into her mouth sucking it slowly and firmly with good use of her tongue and lots of eye contact,after a while of this i was afried i might shoot off before i had fucked her so i spent quite some time licking her clit which seemed to please her as she got ever more vocal, then on with the condom and i fucked her in in several positions,started with cowgirl playing with those lovely tits,then doggie pulling her head back by her hair hearing her urging me on with lots of dirty talk,finaally i put her on her back and fucked her really hard intill i could hold back no longer and spunked off deep inside her tight little cunt,it was fantasti! then believe or not she insisted on giving me another little massage and a kiss and cuddle telling me i was a "good boy" honest! a really lovely girl...just very naughty...
