The Premises:

My sat nav took me the wrong way, but the happy receptionist was helpful to directed me with ease to the cmk appartment.

Greeted by a gentleman at the door who showed me in. Clean safe appartment with plenty of parking.

The Lady:

Mistress helen was as pictures slim tall and pvc clad as requested top to toe. Only thing amiss was her hair, chopped to the shoulders, which she apolgsied for as she removed her hair extensions that were in her photos on website.

The Story:

I booked my appointment early requesting pvc thigh high boots long pvc gloves and catsuit which was a glossy tasty black. First things first the montarys, she popped out for 2 secs, like she said. I was speechless at her authority tone, when she said clean them and i went on my knees instantly to lick her boots. She grabbed my hair and twisted it with her fingers pulling me to her heel the pulling me up her pvc clad legs that went on up to her soaken snatch for more worship the smell was wonderful.

She then sat on my face grinding her wetness all over my face, as she rubbed her pvc fingers all over my legs and cock, groping my balls till i couldnt cope i exploded all over her and sucked her fingers clean. Thanked mistress for putting up with her worthless pigwhore and promised her this report with a bribe i might get to lick her arse next time.
