The Story:

Waited for her to arrive and then led into the room by her after she had just showered. Quick snog and I showered. Whilst drying myself off, she was getting me even wetter and harder with her tongue. Onto the bed for more oral, god she loves it, she's addicted to it. Inserted a couple of fingers and tunded into 69. Played with her arse and licked her clit for fun, tasting all her batter. Asked if we could try A, but she said those fantastic words, "i think you are too big", cheers Belinda.. On with the hood and into doggy, christ she has a great arse and can jiggle it for Britain, or Norway for that matter. Off with hood and back onto o, where she just sucked me off. Laid down on bed and had some idle chit chat. Top girl, excellent sex and very talkative. cheers, avit
