### The Premises:

My meeting with Tinkabelle took place in an en suite room at a five star hotel in a popular area of London. Everything was as clean and well appointed as you'd expect, and the real bonus was that it was virtually next door to the underground station.

### The Lady:

How can I describe Tinkabelle? She is a bewitching combination of the passionately exotic with the quintessentially English. Her deliciously dusky skin tone conjures up images of torrid encounters under starry tropical night skies, yet her clear accent and educated repertoire hint at the Home Counties and public schools. Tinkabelle is for the gentleman who appreciates luscious, soft curves and pretty features in a lady combined with confidence, intelligence and a free spirit. As the name she has taken implies, she is absolutely enchanting! Oh, and very, very hot!

### The Story:

Those who have read previous reports from me will know I'm a role play man. There was something about Tinkabelle's profile that put me in mind of an apparently very proper but actually very licentious and corrupt girls' school headmistress, and some very x-rated St.Trinians type fantasies started going through my head. Tinkabelle advertises herself as being a role play aficionado, so the opportunity seemed too good to miss. I wanted 'Headmistress Tinkabelle' to interview me for a job as an English teacher at her private academy for senior girls. During the interview she would tease and taunt me before finally 'taking advantage' of me and having her wicked way with me. Well, Tinkabelle was more than enthusiastic, and I have to say she was absolutely brilliant and shared with me one of the very best role play sessions I've ever had. She was very careful in listening to my requests and added interesting and naughty ideas of her own. The build up was superb, as she asked me leading questions in an appropriate interview manner. As she flashed more and more shapely leg and enticing cleavage, and as the questions got more and more suggestive, such as would I be prepared to administer spankings to the girls for misdemeanours, I became more and more excited. The 'coup de grace' was when she told me to read from Shakespeare (I had come prepared), but with the added element of pressure being that I should strip naked to do this! The convincing way in which Tinkabelle posed this request was absolutely first class. Well, by now my excitement was intense (and very obvious), and the way I stumbled over my words and fluffed my lines was hardly contrived, seeing as Tinkabelle had spread her legs to give me a heady view of stocking tops and knickers! And it was all inevitably downhill

(and uphill, and every which way) from then on as Tinkabelle moved in on me with all the stealth of a skilled sexual predator, and boy, was it delicious! I was lucky enough to receive warm and passionate DFK and some quite intoxicating OWO, and all the while Tinkabelle managed to be hot and erotic whilst staying in character! Just brilliant! Our sex was heated, exciting and energetic, and we put the furniture in the room to uses for which it was never intended. There were plenty of other treats which I won't reveal here, but suffice it to say I was left utterly spent and utterly satisfied after one of the most fun and exciting role play sessions I've ever had.

As I always say, every experience is unique, but as far as I am concerned, Tinkabelle is an absolute one in a million, and a rare find. Yes, she is as sexy as hell, but she's also a fun, outgoing, intelligent free spirit, and if you are someone who appreciates those qualities I'm sure Tinkabelle will put a big smile on your face, too, and make you realise that there are still good things in this world.

My thanks to a terrific lady!
