The Premises:

Easy to find - clean and bright. Some nice relaxing mood music in the background (makes a nice change from radio 1).

The Lady:

Absolutely stunning - just immaculately turned out in the little black therapist dress as pictures on site. Her eyes are something to behold and what's best is that Nina has the personality to go with it all.

The Story:

I have given up punting (to be honest due to the legal ramifications) but just needed a treat for my birthday, so along I went to experience a massage. Well I'm a convert - what I received was more enjoyable and memorable than any punt I had had in the past (and I had seen Nina in her previous guise).

The massage was skillfully done which to be honest surprised me (we that will save on the chiropractor)

I went for the body to body massage which was just fantastic and the 'happy ending' was mind blowing!

So looks like I'm back in the saddle and will defiantly be seeing Nina again (but also having a good look at what Ego have to offer - Penny looks very interesting!)
